

Terms and Conditions of Sale and Service — 7HUDRA

Version 1.0 — Effective as of July 21, 2026

1. Who we are

The website sevenhudra.com and the related services (the "Service") are operated by **HUTANU CAPITAL MANAGEMENT CONSULTANCIES - FZCO**, a private limited company (FZCO) incorporated in Dubai Silicon Oasis, United Arab Emirates, under Dubai Law No. 16 of 2021 and the DIEZA Implementing Regulations 2023, trade license No. **80008**, registration No. **78259**, issued by the Dubai Integrated Economic Zones Authority, with registered office at Premises 80008-001, IFZA Business Park, Dubai Digital Park, Dubai Silicon Oasis, Dubai, United Arab Emirates ("7HUDRA", "we", "us"). Contact: support@sevenhudra.com.

2. Definitions

- **Service:** the set of indicators, community, course, live sessions and platform described in Section 3.
- **Subscription:** the paid recurring (monthly or annual) contract granting access to the Service, according to the purchased plan.
- **Indicators:** the invite-only TradingView scripts named "7HUDRA - GEX", "7HUDRA - VWAP - SCALPING" and "7HUDRA - VWAP - SWING".
- **Content:** videos, lessons, slides, texts, data, analysis, messages and any other material made available through the Service.
- **User** (or "you"): the person purchasing or using the Service.
- **Consumer:** a User who is a natural person acting for purposes outside their trade, business or profession.
- **Whop:** the payment and subscription management platform (whop.com) through which purchases are made.

3. Scope of the Service

3.1 Depending on the purchased plan, the Subscription grants access to: (a) the Indicators on TradingView in invite-only mode; (b) the private Discord community "SevenHudra HQ"; (c) the "HUDRA Methodology" training course; (d) the weekly live sessions; (e) the 7HUDRA analysis platform, currently in beta.

3.2 **The Service is educational and informational in nature only.** It does not constitute financial advice or any investment service, as further specified in Section 10.

3.3 The exact composition of each plan (Indicators, Full Access, Full Access Annual) is the one shown on the pricing page at the time of purchase.

3.4 Promotional access routes through partners (for example linking your BingX UID through a referral link) may be subject to additional conditions communicated in the relevant promotion. In such cases 7HUDRA may receive compensation from the partner. The partner is an independent third party: we do not endorse or recommend its services, we are not responsible for them, and it is your responsibility to verify that the partner is authorized to serve clients in your country before opening or funding an account. Nothing in such promotions is an inducement to trade.

4. Eligibility and restrictions

4.1 The Service is reserved for persons who are at least **18 years old** with full legal capacity.

4.2 Using the Service requires: an internet connection, an up-to-date browser, a personal TradingView account (a free plan is sufficient) for the Indicators, and a personal Discord account for the community. Those third-party services are subject to their own terms and are not provided by us. Video Content is available by streaming from the members' area.

4.3 You warrant that the information provided at checkout (including your TradingView nickname) is accurate and refers to yourself.

4.4 The Service is not directed at, and must not be purchased or used by, any person in a jurisdiction where its provision or use would be contrary to local law or would require 7HUDRA to hold a license, registration or authorization it does not hold. It is your responsibility to verify, before purchasing, that you may lawfully use the Service in your country.

4.5 The Service must not be purchased or used by any person or entity subject to UN, EU, US (OFAC) or UAE sanctions, or resident or located in a jurisdiction subject to comprehensive sanctions (for example: Iran, North Korea, Syria, Cuba, and the Crimea, Donetsk and Luhansk regions of Ukraine). We may also refuse, suspend or terminate access (with a pro-rata refund of the unused period) where we believe access from your jurisdiction exposes us or you to legal or regulatory risk.

4.6 Users in the United States: 7HUDRA is not registered with the SEC, the CFTC, the NFA, FINRA or any US federal or state authority. The Service is a general, impersonal educational publication, distributed on identical terms to all subscribers and not tailored to any recipient's circumstances; it does not constitute the activity of an investment adviser or commodity trading advisor.

4.7 Users in the United Kingdom: the Service consists of education and general-purpose analysis tools and does not constitute regulated advice or a financial promotion relating to specific investments under the Financial Services and Markets Act 2000.

5. Purchase, prices and payment

5.1 Purchases are made through the Whop checkout. Payments are processed by Whop and its payment service providers; we do not store full card details.

5.2 Prices are expressed in **US dollars (USD)** unless stated otherwise. Any taxes (including VAT, where applicable) are shown at checkout before you confirm the order.

5.3 The contract is concluded when the order is confirmed at the end of checkout. You will receive order confirmation and receipts at the email address provided, on a durable medium.

5.4 The contract may be concluded in **Italian or English**. The checkout consists of the following steps: plan selection, entry of the required information, order summary with the possibility to check and correct input errors, confirmation and payment. The text of these Terms is always available and downloadable at sevenhudra.com; your order details remain accessible from your Whop account.

5.5 Whop's own purchase terms also apply to the checkout. The charge on your card statement may show Whop's descriptor. Refunds under these Terms are executed through Whop to the original payment method.

5.6 Refunds are issued in USD for the amount charged; any difference due to exchange-rate fluctuations or fees applied by your bank or card scheme is outside our and Whop's control.

5.7 If a renewal payment fails, access to the Service may be suspended until payment is settled.

6. Subscriptions, automatic renewal and cancellation

6.1 Monthly Subscriptions renew automatically every month; annual Subscriptions renew every 12 months, at the then-current price communicated before renewal.

6.2 For annual Subscriptions we will send (directly or through Whop) a **renewal reminder by email at least 15 days before** the renewal date, stating the price and how to cancel.

6.3 You can cancel at any time from your Whop dashboard or by writing to support@sevenhudra.com. To prevent the renewal charge, cancellation must be completed (dashboard) or received (email) **at least 24 hours before** the renewal date. Email cancellations are effective upon receipt and are confirmed in writing.

6.4 Cancellation takes effect at the end of the paid period: you keep access until then. No pro-rata refunds are given for the current period, except as provided in Sections 8, 9 and 14. If a renewal is charged despite a timely cancellation, that renewal is refunded in full.

6.5 Where the law of your country of residence grants you shorter termination periods, additional cancellation means (for example an online cancellation button) or other protections after automatic renewal, those rules apply.

6.6 When the Subscription ends, for any reason, access to the Indicators, Discord and platform is revoked.

7. Access activation

7.1 The Indicators are activated on the TradingView account matching the nickname provided at checkout, normally **within 24 hours** and in any case **within 3 business days** of purchase.

7.2 If the deadline in Section 7.1 is missed for reasons attributable to us, you are entitled, at your choice, to a **free extension of the Subscription** for the days of delay or to a **full refund**.

7.3 If the nickname provided is wrong, activation may be delayed: contact us at support@sevenhudra.com to correct it.

7.4 Access is **personal and non-transferable**. Sharing accounts, invites or credentials with third parties is prohibited.

8. Right of withdrawal (EU/EEA Consumers)

8.1 If you are a Consumer to whom the consumer-protection rules of an EU or EEA Member State apply (in particular if you habitually reside there), you have the right to withdraw from the contract **within 14 days** of its conclusion, without giving any reason.

8.2 At checkout you are asked to **expressly request immediate performance of the Service** during the withdrawal period (access immediately after payment); that request is confirmed in the order confirmation email. The Subscription is a continuously supplied digital service: the right of withdrawal remains valid for the full 14 days.

8.3 If you withdraw within the 14 days after having requested immediate performance, we refund what you paid **minus a proportionate amount for the days of service already provided**, calculated on the total plan price (days elapsed since the order ÷ days in the billing period × price paid). Examples: withdrawal on day 10 of an \$89 monthly plan → deduction $10/30 \times \$89 = \29.67 , refund \$59.33. Withdrawal on day 10 of a \$799 annual plan → deduction $10/365 \times \$799 = \21.89 , refund \$777.11.

8.4 To exercise the right of withdrawal, it is sufficient to send, **before the deadline expires**, an explicit statement to **support@sevenhudra.com**, indicating the relevant order. You may use the model withdrawal form in Annex A, but it is not obligatory. Dispatching the notice before the deadline is sufficient to meet it.

8.5 The refund is made within 14 days of your notice, through Whop, to the same payment method (Section 5.6 applies).

8.6 **Your statutory rights as a Consumer remain unaffected in all cases.** If these Terms conflict with mandatory rules of your country of residence, the latter prevail.

9. Commercial guarantee: 7-day money-back

9.1 In **addition** to your statutory rights under Section 8, we offer a commercial guarantee: if the Service is not for you, you can request a **full refund** of your first purchase, no questions asked. The guarantee applies to all plans, including the annual plan.

9.2 The window is **7 calendar days** from the order confirmation email or, if later, from the activation of the Indicators; the date of receipt of your request is decisive.

9.3 The guarantee applies **once per natural person** (regardless of the email or account used) and **only to the first purchase** (not to renewals or subsequent purchases).

9.4 To use it, write to **support@sevenhudra.com**. The refund is executed through Whop to the original payment method, normally within 5-10 business days (Section 5.6 applies). All access is revoked upon refund.

10. Educational nature of the Service, risk warning and absence of advisory relationship

10.1 **7HUDRA does not provide investment advice (whether personalized or generic), investment research, financial analysis, investment recommendations, trading signals, portfolio management, or any offer, solicitation or inducement to buy or sell any financial instrument.** We are not a financial intermediary and we are not licensed to provide investment services.

10.2 The Indicators are general-purpose analytical tools that produce the same output for every user and are not calibrated to any User's circumstances. Trades, setups and positions shown during live sessions or in the community are **demonstrations of the instructor's own decision-making for teaching purposes only**; they are not published with the intention that Users replicate them and are not suitable for execution by Users.

10.3 **Trading involves a substantial risk of loss** and is not suitable for everyone. With some instruments (derivatives, leverage) you can lose more than your invested capital. Past performance is not indicative of future results. **Most retail traders lose money.**

10.4 Any results referred to in our materials (including prop-firm payouts) are the **founder's individual, historical results, achieved in specific conditions — including on funded or simulated accounts provided by proprietary trading firms under their own rules — and documented as such.** They are not typical, are not a promise, projection or indication of results Users can expect, and cannot be replicated simply by using the Service.

10.5 Every trading or investment decision you make is **your sole responsibility**. Before trading with real money, consider your financial situation and, if needed, consult a licensed advisor.

10.6 **No relationship of financial adviser, portfolio manager, broker, agent or fiduciary is created between 7HUDRA (including the founder, contributors and moderators) and the User.** We do not know, and do not take into account, your financial situation, objectives, experience or risk tolerance.

10.7 By purchasing the Service you acknowledge and agree that **you will not rely** on any Content, Indicator output, setup, analysis or position shown through the Service as a recommendation or as the basis for any trading decision, and that any decision to open, modify or close a position is made independently by you. You agree not to represent to any third party that 7HUDRA advised or instructed you to trade.

10.8 **We never ask for, accept, hold, manage or invest Users' money or financial instruments; we never request access to or credentials for any User's brokerage, exchange or trading account; and we never place, execute, transmit or manage trades on behalf of any User.** Any person claiming to do so in the name of 7HUDRA is acting fraudulently: report them to support@sevenhudra.com.

10.9 The founder, contributors and moderators may hold, open or close positions in the financial instruments discussed or shown through the Service, before, during or after any session or publication, and their interests may differ from or conflict with yours.

10.10 By purchasing you confirm that you have read and understood this Section 10 and that you are acquiring the Service for educational purposes.

10.11 You are solely responsible for any tax obligations arising from your own trading or investment activity.

11. Intellectual property and permitted use

11.1 The Indicators, Content, trademarks, logos and all Service materials are owned by us or licensed to us, and are protected by intellectual property laws.

11.2 With the Subscription we grant you a **personal, non-exclusive, non-transferable and revocable license** to use the Service for personal, non-commercial purposes.

11.3 It is prohibited, among other things, to: share or resell access; copy, record, redistribute or publish the Content (including the course, in whole or in part); attempt to decompile, copy or replicate the Indicators or their formulas; use the Content to build competing products or services.

11.4 In case of a serious, proven breach of this Section we may suspend or terminate the account, after notice with an opportunity to respond where practicable. Upon termination, the unused period is refunded pro-rata, without prejudice to our right to retain that amount as compensation to the extent of proven damage, to mandatory Consumer rights, and to any further action to protect our rights.

12. Community rules

12.1 Respectful behavior is required in the Discord community. The following are prohibited: spam, abuse, promotion of third-party services or schemes, sharing reserved content outside the community, and any unlawful activity.

12.2 Moderation is at our discretion: we may remove content, mute or remove users who break the rules. In case of removal for a serious breach, Section 11.4 applies to refunds, without prejudice to mandatory Consumer rights.

12.3 Content posted by community members is their own: we do not review, endorse or verify it, and **it does not constitute advice or recommendations from 7HUDRA**.

12.4 Users must not provide, offer or sell investment advice, trading signals, account management, copy-trading or similar services to other members through the community. Breach entitles us to immediate removal under Section 12.2.

13. Service availability, conformity and third-party services

13.1 The analysis platform is provided **in beta**: it is under active development and may contain errors or change over time. This characteristic is disclosed to you before purchase and you are asked to accept it expressly and separately at checkout.

13.2 The Service relies on third-party providers (TradingView, Discord, Whop, market data providers): outages or maintenance on their side may temporarily affect the availability of the Service. In such cases we take reasonable steps to restore access as quickly as possible, **without prejudice to the remedies the law grants you for failure to supply or lack of conformity of digital content and services**.

13.3 **Legal guarantee of conformity**: throughout the Subscription period we are liable to Consumers for any lack of conformity of the digital content and services supplied, under Directive (EU) 2019/770 as implemented in the Consumer's country of residence. The available remedies include bringing the Service into conformity, a proportionate price reduction, or termination of the contract with a refund.

13.4 Without prejudice to Section 13.3 and to mandatory Consumer rights, we do not warrant that the Content, the Indicators, their outputs or the underlying market data are accurate, complete, timely or error-free, and we accept no liability for trading outcomes based on errors, delays or interruptions in the Indicators or data.

14. Changes to the Service and prices

14.1 We may modify the Service beyond what is necessary to maintain conformity only for **valid reasons**, such as: improvement of features or content, technical or security adjustments, legal or regulatory compliance, or changes in the third-party services the Service relies on. Modifications entail no additional cost for the User.

14.2 If a modification negatively affects your access to or use of the Service in a more than minor way, we will notify you **reasonably in advance on a durable medium** (email) and you will have the right to **terminate the contract free of charge within 30 days** of the notice (or of the modification, if later), with a **pro-rata refund of the unused prepaid period**.

14.3 **Price increases** apply only from the following renewal and are communicated with **at least 30 days' notice**: if you do not accept them, you can cancel before the renewal and nothing further will be charged.

15. Limitation of liability

15.1 To the maximum extent permitted by law, we are not liable for: losses arising from your trading or investment decisions; loss of profit; indirect or consequential damages; damages arising from use of the Service in breach of these Terms.

15.2 Towards non-Consumer Users, our total aggregate liability is limited to the **amount paid for the Service in the 12 months preceding** the event giving rise to liability.

15.3 Nothing in these Terms excludes or limits: liability for willful misconduct or gross negligence; liability for personal injury; Consumers' remedies under mandatory rules, including those for failure to supply or lack of

conformity under Section 13.3 (bringing into conformity, price reduction, termination and refund); or any other liability that cannot be limited by law.

16. Data protection

The processing of personal data is described in our **Privacy & Cookie Policy** available at sevenhudra.com/privacy. The data controller is HUTANU CAPITAL MANAGEMENT CONSULTANCIES - FZCO.

17. Complaints, governing law and jurisdiction

17.1 For any complaint write to **support@sevenhudra.com**: we normally reply within 14 days.

17.2 These Terms are governed by the laws of the United Arab Emirates, as applicable in the Emirate of Dubai.

17.3 If you are a Consumer residing in the EU or EEA, you retain the protection of the mandatory rules of your country of residence and the right to bring proceedings before the courts of your domicile, where provided by law.

17.4 Consumers may also use the **alternative dispute resolution (ADR)** bodies available, where applicable, under the law of their country of residence.

18. Final provisions and contact

18.1 If any clause is found invalid, the remaining clauses remain in force.

18.2 These Terms are available in Italian and English. In case of divergence between the two versions, the version in the language in which you concluded the purchase prevails.

18.3 We may update these Terms; material changes will be communicated by email or through the Service with reasonable notice and apply from the following renewal, without prejudice to Section 14 for changes to the Service. The current version is always published on sevenhudra.com.

18.4 For any questions: **support@sevenhudra.com**.

Annex A — Model withdrawal form

(complete and return this form only if you wish to withdraw from the contract)

— To: HUTANU CAPITAL MANAGEMENT CONSULTANCIES - FZCO, Premises 80008-001, IFZA Business Park, Dubai Digital Park, Dubai Silicon Oasis, Dubai, UAE — support@sevenhudra.com
